Exciting New Event at the 2018 SCI Grand Banquet

In addition to the 41st SCI Grand Banquet next year February 16-17, 2018, we are excited to be planning our very 1st Ladies Luncheon to coincide the same weekend. This will be another grand event with great food, fashion, beauty and friends...but just for the Ladies.

Planning for this premier event is in the works now and we are asking for your help. Please consider a donation of cash or other raffle items, volunteering to help that day and as a minimum bring some friends to attend this new fabulous event. Your donation is very important and will contribute to the life blood of your conservation organization – SCI First For Hunters. It's your donation that is the source for resources that allow funding of:

- Education efforts (\$62,100.00)
- Humanitarian efforts (\$23,225.00)
- Hunters Rights efforts (\$22,550.00)
- Conservation efforts (\$12,750.00)
- **Totaling \$120,625.00 for fiscal year ended June 30, 2017** for these funding efforts
- And over **\$3,000,000.00** through the Chapter's life.

Please take the time now to help us with a donation, this can be used as a tax deductible donation as the organization is a 501(c)(3), and we look forward to seeing you at the Grand Geneva Resort next February, 2018.
