

SAFARI JOURNAL

Have you ever fantasized about stalking a rhino in the wilds of Africa? How about tracking and harvesting another of the Big Five African game, the lion? Then be sure to attend our May meeting at the Delafield Brewhaus where SCI WI board member Harry Mattox and past president Jeff Belongia will share their recent adventures and pictures from the South African/Namibian border while humanely vita-darting rhinos for animal studies. They will also discuss lion hunting on the South African/Botswana border – all caught on video!

Both Harry and Jeff are two of the most accomplished hunters in the Wisconsin chapter and are sure to have many stories to share,
