WISCONSIN CHAPTER REPORT

by Monte Whiteaker, Chapter President

July 1st marks the beginning of a new fiscal year for the Wisconsin Chapter as well as some updates to the Board of Directors. I would like to personally thank Dean LePoidevin for his years of leadership, service and dedication, and I sincerely hope to lead this chapter as well as he did over the past 2 years.

I also want to thank past president Sean Coykendall for his time and effort on our 3rd Annual golf event, which took place on June 1st. 84 golfers enjoyed 18 holes on the beautiful Legend at Brandybrook course in Wales, Wisconsin, and then took part in some impressive raffles. Thanks to all of our generous sponsors of this event!

I hope that all of you are aware of our upcoming 37th Annual Sporting Clays event, which will take place at Wern Valley Sportsmen's Club on Saturday, July 11th. This is a popular event, and we are still accepting sponsorships to ensure it's a great success. Registration is open but necessary to get a delicious catered lunch from Roberts Meats. Visit the Sporting Clays event link on our website to preregister, but note that walk ins are welcome at this event. For any questions, please contact

Dean at lepoidevin.sciwi@gmail.com

While you're registering for upcoming events, please be sure to join us for our next member meeting which will also take place at Wern Valley on Tuesday, August 18th. Member Adam Biondich will be thrilling us with stories and photos from hunting in the Ethiopian highlands for Nyala, Giant Forest Hog & other top ten animals, including a world record. It's sure to be a memorable presentation.

Take a look below for other upcoming dates, including the 50th Annual Grand Banquet event. That's right – planning is already under way for what we hope will be our biggest event ever! If you'd like to be part of our planning committee, please email office@sciwi.org to get involved.
