WISCONSIN CHAPTER REPORT

by Dean LePoidevin, Chapter President

Welcome to spring in Wisconsin, with the promise of great boating and fishing, turkey hunting, and warmer weather!

Our monthly SCI WI member meetings continue to offer up a variety of speakers, camaraderie, and chances to win raffle prizes. The recent March meeting was also an opportunity to showcase one of the many groups to which

we contribute funds on an annual basis. Natalie Weeks presented several of the outdoor programs she has created for area youth, including how to hunt and cook pheasant.

After hearing all she has accomplished over the years, it is easy to see why she is a WI Wildlife Federation Conservation Educator of the Year and a candidate for WI Teacher of the Year in 2026.

The April member meeting will be held at Thunder Bay on Thursday, April 16th, and the May meeting at the Delafield Brewhaus on Thursday, May 21st. Keep your eye out for upcoming member meeting details and be sure to bring a friend!

It is time to dust off your golf clubs in preparation for the third annual SCI WI Golf Outing at the Legend of Brandybrook on June 1st, 2026. Several sponsorship opportunities are still available. Register at www.sciwi.org/event/golf-outing-3 or email Jen at office@sciwi.org or Sean at seancoykendall.sci@gmail.com.

Check-in starts at 10:30 am with a noon shotgun start. Your registration includes 18 holes of golf, cart, lunch, light appetizers after your round, and a broad selection of prizes. Hope to see you there!

While you are at it, mark your calendar for our Sporting Clays Outing at Wern Valley on Saturday, July 11th. More details coming soon to www.sciwi.org/events.

There is no better time than now to show your support of hunting and fishing by joining SCI WI. Go to www.sciwi.org for further details and special pricing on new or renewed memberships. Remember, your membership dollars go to support hunting, youth hunting sports activities, and conservation efforts throughout the state.
