Wisconsin Chapter Report

by Charmaine Wargolet
President

Well, my first two months have been very eventful! Our chapter is making plans for our 2021 annual fundraiser on March 26th – 27th at the beautiful new Brookfield Conference Center! If all goes well in our country and things start to settle down a bit, we are going to have a great event! One you will not want to miss.

Just as a sneak preview, we will be holding our monthly chapter meeting in October, at the Brookfield CC, so you can appreciate what a fantastic venue this is! Our October newsletter and emails will contain information on the menu and program for the evening! This is one meeting you will definitely have to sign up for ahead of time as there will be no walk-ins allowed. As they are not a restaurant, the food is ordered by the number of guests we expect, and we have to prepay for every meal we order. So please, if you anticipate coming, please respond when you see this posting! And definitely, plan on attending!

If you did not attend our sporting clays event in August, you missed a fun time! Steak sandwich lunch, beautiful course, fantastic raffle items, and the camaraderie and laughter of your fellow sportsmen! And our Wisconsin weather actually

cooperated. A hearty thanks to Eric Corbeg, Sean Coykendall for chairing this event and putting all the work in! And, of course, Melissa Corbeg and Sharon Yunk did a spectacular job of registering and checking everyone in. Special thanks to them. Do not miss out next year!

I am hoping you have been receiving notices about the Share the Impact Outfitter Benefit. I know there are a lot of people suffering in this world today but there are those of us who have been blessed with good health and without a huge impact on our financial resources. If you are one of those folks, please consider sending anything you can to support this effort. Our chapter plans on supporting those outfitters who have generously helped us out with hunt donations over the years, but have been severely impacted by the Covid shutdowns. As sportsmen and women, we need to help out our own if we are able! An example of folks helping out when they can, was just presented to us last week. A gentleman from Texas who bought a hunt from our online auction was notified by the outfitters family that the outfitter had passed away due to the virus. This gentleman paid \$3250 for this hunt but emailed us and said he did not want his

SHARE THE IMPACT OUTFITTER BENEFIT

Covid-19 has negatively impacted so many; the hunting and conservation world is no exception. Our outfitter partners from across the world have been severely impacted due to travel restrictions and many other challenges. We are asking for your support through donations and attending the Annual Clays Outing on August 15th to help those who provide us opportunities to hunt in North America as well as across the world. Funds raised will go directly to outfitters to help keep them operating through these challenging times. The Big AI fund is going to match the donations up to \$10,000. Let's all do what we can to get a full match and help our hunting community.

If you would like to donate, please contact Janean Gehl at (262) 437-0097.

**Get ready
for fall
hunting!!**

Sporting Clays 2020

The SCI Wisconsin Annual Sporting Clays Outing is an enjoyable time to get together with fellow SCI members to support the Chapter's mission. This year was no exception as there has been pent up demand for activities that support social distancing. What better way to spend an afternoon breaking clays at an amazing venue like The Highland's Club in Cascade, WI. With over 600 acres of pristine land, there was more than enough room to spread out.

Attendees had the opportunity to shoot a 13-station sporting clays course that weaved its way through wooded bottoms then back up top into the sorghum fields which will be pheasant hunted later in fall. Top honors on the sporting

clays course goes to Jeff Chojnacki with a score of 49/50 and a close runner up was Jim Frey with a 47/50. High Lady honors goes to longtime member Justine Klug and Youth High Gun was Tim Madia.

A 25-bird 5-stand and 25-bird two-man flurry were also available for those wanting to test their skills further. If you have never attempted a flurry style shoot with clays, you are definitely missing out. The Highland's has a 20-foot elevated stand you shoot from while overlooking a pond. Once the shooters call "pull," a constant flurry of targets is released, and the shooters must cover each other while minimizing the number of targets that hit the ground. It's an exciting 90 seconds of fast passed hunt and cover shooting!

As always, the day was not complete without sharing the camaraderie of fellow shooters over a wonderful lunch and cold beverages while taking a chance at winning one of the many raffle prizes.

A special thank you goes out to all who supported our event and especially to the Sponsors who supported the event: Gold Sponsors- Old National Bank, Oliver Construction, Better's &

Associates, Mattox Plumbing, Sunset Bank. Silver Sponsors- Interstate Power Systems, Accurate Graphics. Station Sponsors: Weldall, Hanna Trailer & Supply, Sean Coykendall on Behalf of Lockton Companies, Dog Grooming by Charmaine, Betsy Belongia, Ryan Belongia, Ivan Gehl, Ben Laskowski. Major Donors- Paul & Carol Osswald, Neu Tool & Supply, Jim Skarda.

We look forward to seeing you next year!
