Wisconsin Chapter Report

by Charmaine Wargolet
President

The 2022 SCI First for Hunters Grand Banquet Grand Banquet is in the books! It was an awesome event and I hope you were there! Lots of exhibitors, incredible hunts and fishing trips from all corners of the globe, great raffles and silent auction items, it had everything! All the folks I saw seemed to be having a wonderful time and I know for sure I did. A lot of folks, who were not members yet took advantage of a great membership special. If one signed up for a 3 year membership or upgraded their current membership three more years, they received a free KUIU hunting vest and 300 SCI gear points. For the price of \$270, they receive a \$150 KUIU vest and the 300 points can buy a \$50 Cabelas gift card as one of the premiums available. So, in essence they paid \$70 to be a member of SCI and the WI chapter for three years! And this deal is still available, so if you have not taken advantage of it, just call the SCI office and ask Sarah how to sign up! (262-437-0097). On top of all the fun, we made a boatload of money for SCI and all of the programs, projects, and organizations our

chapter supports! It was a win-win all the way around. A HUGE thank you to the Banquet Committee as I am sure you all know what a tremendous amount of work it takes to put an event of this magnitude on. Another huge thanks to the exhibitors, and attendees who without their support, we have no show. Next year's 2023 Grand Banquet is February 10th & 11th, so mark your calendars!

Also, be sure and take note of this months meeting on March 17th at the Brookfield Conference Center. It will be a great program as usual and it is always a good time when you can share an evening with other sportsmen and women, sharing some stories and maybe a libation or two. Please make your reservation early! And bring a friend! As always, shoot straight and be well!

Thank You 2022 Sponsors!
