

SAFARI JOURNAL

Wisconsin Chapter Report

by Charmaine Wargolet
President

Well, my friends, this is my last chapter president's message. It has been such an honor and a pleasure to have served the past two years as the Wisconsin Chapter president. We have an amazing chapter and amazing members! A past president of SCI National, after attending our fundraiser said, "Charmaine, how do you guys get close to value or actual value for your auction items"? I replied, "Steve, I have been saying for years, it is simply our people"! You can't buy,

badger, or plead with people to support the cause and be generous. They just are! Our chapter has been blessed and I am so grateful for all of you. I am especially grateful to the officers and directors

of our chapter these past two years, both for electing me and then for the support they have shown. I truly love every last one of them. They have made such a strong commitment to SCI and have lived that commitment! I will not be going very far away as I will still remain on our Board for two more years as Past President and do

what I can to help in whatever capacity needed. I love SCI and all the friends I have made in this great organization!

Now, summer is here and I hope you are enjoying our beautiful state during our limited warm weather months. The rest of the seasons hold their own special beauty but summer makes life especially fun. We have our sporting clays event coming up in July and hope you will register yourself or a team, it doesn't matter, we welcome everyone and it is a great time!!

Also, keep watching these newsletters as we have some great meeting programs in the works. As you can see in this newsletter, September will feature our resident taxidermist, Kyle Schmidt from Northwoods Taxidermy, caping out a whitetail deer for us to watch. If you know a beginner hunter or if you yourself would like to see how the experts do it, join us. Or just join us for the fun! The perfect setting for this event will be at the Ojibwa Bowhunters pavilion and clubhouse so it will be an interesting, fun and very casual event. Your programs chair and the rest of the board are working on some other cool programs and places to go, and I don't have to remind you of the great camaraderie we enjoy at these events.

As always, shoot straight, be well, and God bless!

MARK YOUR CALENDAR for this future SCI monthly membership meeting!

THURSDAY, SEPTEMBER 15, 2022
