SCI FIRST FOR HUNTERS WISCONSIN CHAPTER

SAFARI JOURNAL

WISCONSIN CHAPTER REPORT

by Monte Whiteaker, Chapter President

It's hard to believe summer is coming to an end, but it's true. And I can assume that all of us who love the outdoors are more than ready for fall!

I want to thank Adam Biondich for speaking at our August meeting, which was held at Wern Valley. The stories and photos he shared were incredible and greatly appreciated. Also, a big thank you to our very own Charmaine Wargolet for providing the delicious meal.

Our September meeting is all set, and registration is open for Tuesday, September 15th at Wern Valley again, but the presentation will be much different than that of August. Captain Mike and his wife Sarah Keller of Fowl Dawgs will be joining us to share stories and information on duck hunting, fishing on Lake Michigan and training hunting dogs. There is a very serious rumor going around that there might even be a chance of lab puppies. Regardless of what the night and their presentation brings, there will be a delicious meal catered by Roberts Meats. Please plan to join us.

Then, make sure you save the date for our October meeting, which will take place on Thursday, October 15th. Past president and current board member Harry Mattox will graciously be hosting this event and has brought a rowdy bunch of Jeff Belongia, Bob Neu and myself to join him in speaking on our recent hunting trip to Manitoba. Should be entertaining to say the least!

There's a lot more information to come, but I want to ensure everyone has the 50th Annual Grand Banquet event on their calendars, as well. This 2-day event on Friday, March 5th & Saturday, March 6th is sure to be one for the record books. At this point in time, we are anticipating a sell-out event, so it's not too early to start planning your tables of 10. Your purchase of a table of 10 will get you $100 in raffle tickets and a chance of winning the table captain's gun!

If you are interested in being a part of this year's banquet and can attend our next planning meeting on October 1st, please reach out to us at office@sciwi.org.

As the archery season is upon us, I wish you all the best of luck. May your sights be true and your arrows fly straight.
